

Solution Partner Program

BENEFITS & ADVANTAGES

As a partner focused company, iDTRONIC proudly presents its new **Solution Partner Program**.

Our Solution Partners will receive special conditions and support for our innovative RFID hardware products, and, of course, marketing activities are considered. The iDTRONIC Solution Partner Program **targets System Integrators and VARs**, who are interested in creating new RFID solutions by integrating iDTRONIC's Professional RFID hardware.

The iDTRONIC Solution Partners benefit from:

- Participation in Partner Bonus Program
- Qualified iDTRONIC Leads
- Project Support by iDTRONIC
- Product Training & Roadmap Update
- Access to Partner Forum & Yearly Partner Conference
- Demo Product Purchasing Program
- Marketing support (Datasheets, Catalogues, Newsletters)
- Campaign & Tradeshow support
- Linking on iDTRONIC homepage

Questions on our new Solution Partner Program?
